Dear Parents and Guardians,

Welcome to Fairfield Woods Middle School and Team One--Everest! We are so excited to have your sixth grader join us at *The Woods!*

This year, each teacher on your child's team will specialize in one academic area, but each teacher will continue to help your sixth grader with our "hidden curriculum," which includes community building, study skills, organization and the exciting transition to middle school.

We firmly believe that for your child to receive the best education possible, we must work as a team. Please feel free to contact us with questions, concerns or compliments ☺. You can email us at the addresses below or call the school at 203-255-8334. We will respond as soon as possible.

We are all thrilled to be teaching at Fairfield Woods and know it will be a wonderful, successful experience for your child. We look forward to meeting you at our open house on Wednesday, September 13, 2018.
