FWMS Parent Information: Getting Ready for Cumulative Grading

As you may know, grades 6-12 are moving to a cumulative grading process. Students will be scored on all assessments and each will contribute to an ongoing, cumulative grade-in-progress throughout the school year. We will continue to have FOUR “TERMS/QUARTERS” (timed similarly to our previously named Marking Periods) at which times teachers will ‘post’ grades which will be reported to families. Postings will capture the ‘snapshot’ of the grade in progress at that time.

Important Considerations

Due dates:

Teachers can still assign final deadlines (teachers may use the quarter dates we will publish) at which time assignments are no longer counted in the final grade calculation or are entered at some minimal point value.

Return dates:

All standard tests, papers, and projects will be graded and entered into Infinite Campus no longer than two weeks from the due date. Lengthier/larger scale assessments may require an additional week.

Quarterly reporting dates will be as follows:

- Quarter 1 - Friday November 2nd, 2018
- Quarter 2 - Friday, January 18th, 2019
- Quarter 3 - Friday, March 29th, 2019
- Quarter 4 - Thursday, June 13th, 2019

Missing work:

ALL missing/incomplete work be marked as an “M” in Infinite Campus.
