

Name:

2015-2016 Teacher:

Holland Hill Math Challenge Log

Grades 1-2

Keep a log of the math you do during the summer and have your parent(s) sign each week. Remember to keep track of the minutes spent doing something mathematical and a brief note about what it was.

Return this log to your teacher by Friday, September 11th.

We are all mathematicians! Have a great summer and DO MATH!
