Dear Future Fifth Grader,

Moving up to a new grade is exciting. There are so many fun learning experiences awaiting you in Grade Five. Your last year at Holland Hill will surely be memorable in many ways. You will become the "Leaders of the Pack" and will have many opportunities to be positive role models for Holland Hill's younger students.

We hope you have an amazingly fun and restful summer. Get plenty of fresh air, exercise, go to the beach, travel, visit museums and zoos, play games, visit with friends, etc. All of these activities will help you prepare for a new school year. Please don't forget that another way to prepare for the new school year is by reading! The public library has many books so be sure to stop in to pick up some great reads! Brush up on your math facts and check the Board of Education Website for your math packets that are to be completed before the new year begins.

We have attached the Fifth Grade Supply list for your convenience. Be sure to check Infinite Campus in late August for your classroom assignment. Until then, we wish you smooth sailing through the summer!

Your Fifth Grade Teachers

P.S. Please bring a snack, water bottle and independent reading book to school with you on the first day.
