

Dear Parents,

Please be reminded that there is **no school tomorrow, Tuesday, November 11** due to Veteran's Day.

Word Work:

Tonight's Homework: Please complete the word wall homework. Our 5 new word wall words are: here, how, that, on, said. Also, we are sending home Reading baggies since the last couple of reading homework nights have been days off. Please send everything back on Wednesday.

Reading:

Last week we began a new reading unit where we will study Nonfiction books. The students have learned that nonfiction books are read to learn new information. This week we will take a closer look at nonfiction text features.

Writing

In combination with our new reading unit, we have also begun a new unit on Nonfiction or Information writing. Each student created a list of expert topics last week. Then they zoomed in and focused on telling on of their expert topics across their fingers with their writing partners. This week we will continue to zoom in and focus on writing our first nonfiction piece.
