

Components of Informational Writing

Title

Write report in subsections

Introduction...What are your subsections?

3-5 content subsections...**These subsections can be from 1 to 3 paragraphs in length.**

Closing paragraph...Restate your main ideas and include your own ideas on the topic.
Skills to include: figures of speech, transition words, expert words, your facts and opinions on the topic, punctuation, sources used, etc.

Reread, revise, and correct any noticeable errors.

Remember, this is only the first draft called a "flash draft." You will continue to add more details and make more revisions after completing the draft.
