

Dear Parents,

We are writing to you to help us prepare for working with you and your child. Your child will be with us for just one short year and we want to make a contribution that will last a lifetime.

The classroom is a very special place and we will do our best to make sure your child feels at home. We believe strongly in developing a community where each learner feels respected and valued by all those individuals around them. Our community will grow and flourish as we get to know one another.

We believe it will help our teaching if you could tell us a little bit about your child. Please take a moment to write to your teacher. What is your child like? What does your child like to do? Is there anything that you think we should know about your child? We would also like to know how you see your child as a person and a learner.

Please join us for a First Grade Get Together!

Come meet your new teacher, see your new room, and talk with your friends!
