

## Welcome to 3<sup>rd</sup> Grade!

We hope you are having a WONDERFUL summer! We are going to have a fantastic year filled with lots of new and exciting learning experiences.

We hope that everyone has a great summer and gets the chance to spend time with family and friends. This will help you write great memoirs, realistic fiction stories and poetry, which are all the units of study we learn in 3<sup>rd</sup> grade. The more fun you have, the more memories you will have to help you develop seeds for writing! Below you will see some fun facts about the third grade teaching team that helps us think of fun things to read and write about.
