

First Grade News

January 22, 2018

Dear Parents,

Word wall Words

Today we introduced 5 new words: come, day, you, your, get. We started by giving a pretest so the kids could see which words they already know in a snap. These papers are coming home today. Please have your child complete at least 3 activities from the spelling menu and return the work by Friday. We are encouraging the kids to try some sentence writing at home as one of the activities. You can help by reminding them to begin each sentence with a capital letter and end with punctuation.

100th Day Celebration

100th day...we are getting so close!!! As of right now, it will be at the beginning of February. We will have an exact date as time gets closer and depending on snow days. The 100th day is a big celebration in first grade! One way we celebrate is by dressing up as if we were 100 years old.

We also celebrate by making posters at home filled with 100 things. Please be on the lookout for more information coming home this week about these 100th day activities. It will be so much fun!

Sincerely,

Allison Hafford
