

Dear Parents,

It's hard to believe this will be our last newsletter of 2017! Here's our news for the week!

Homework

We will not be assigning any additional homework this week. We always encourage you to read, write and practice math facts whenever you can at home. This week we are asking that your child complete *Random Acts of Kindness* at school and at home. Please see the information sheet coming home for more information.

Word Wall Words

This week we will not be introducing any new words. We will be continuing to practice all of the introduced words. Please continue to work on these words with your child. Your child should be able to read and write them in a snap! Spelling patterns to know are in bold. Here are all of the introduced words:

Week 1: I, like, me, and, the

Week 2: he, she, is, it,

Week 3: his, has, her, to, because

Week 4: this, we, **went**, be, **am**

Week 5: **that**, said, **how**, on, here

Week 6: **at**, are, **can**, **had**, there

Health

Last week your child brought home Scrubby Bear's Handwashing chart. We are asking that your child track his/her handwashing for the entire month of December. Your child should return the chart back to school when the chart is complete and will become a member of The Scrubby Bear Clean Hands club. Your child will even receive an official membership card! How exciting!

Winter Craft Celebration

We will be having a winter craft celebration in our classrooms on Tuesday, December 19 from 11:20-11:55am. We will be doing a winter themed craft and reading winter stories. All families are encouraged to attend!

Sincerely,

Allison Hafford

Debbie Jacobs
