

Dear 5th Graders,

This year in the Jennings Yearbook you have the special job of sharing words of wisdom with the students who follow in your footsteps here at school. Please take some time to think about the words of wisdom that you hear in morning announcements or a special quote that you really like. Feel free to ask your parents or teachers for advice or guidance to find just what you'd like to say. These "Words of Wisdom" will be written under your photo along with your thoughts on what you would like to be when you grow up. Please write as clearly as possible in the lines below:

My future profession: Teacher

5th grade Words of Wisdom:

"Life is alot like surfing... When you get caught in the impact zone, you've got to get back up. Because you never know what may be over the next wave."

- Bethany Hamilton

**Remember to write who said the quote if it wasn't you ☺
