

**Jennings School
31 Palm Drive
Fairfield, CT**

Dear Parent or Guardian,

The Grade 5 students have an exciting end of the year 5th grade field trip scheduled for June 1. **Students will visit the Connecticut Science Center in Hartford on June 1, 2016.** The boys and girls will participate in a variety of hands on activities that are directly related to the fifth grade science curriculum such as the five senses and sound and light.

Students and chaperones are asked to bring a bag lunch clearly labeled with their first and last name, their class, and Jennings School.

The cost of the bus and admission to the Science Center has been fully funded by the 5th grade PTA funds as well as school fund raisers. **Because of this generous funding, there will be no cost to the students or the 6 parent chaperones. Two parents will be chosen by a random drawing from each of the three classes and will be contacted by the classroom teacher.** Other parents who wish to go on the trip will pay \$23.50 which includes the cost of admission, a movie, and a lab session. Other options may be to just pay the admission charge of \$10.00 and then add in the cost of the movie which is \$6.00 or the cost of the student lab which is \$7.50.

The chaperones that will travel by one double decker coach bus, as well as the students, should be at Jennings School by 8:15 a.m. There will be 12 open seats on the bus for parent chaperones. Jennings School is scheduled to arrive at the Science Center at 9:30 and depart from the Science Center at 2:30. **We plan to leave Jennings School by 8:30 a.m. and return to Jennings School by 4:00 p.m.** Please indicate on the permission slip how your child will go home after returning to Jennings School.

Sincerely,

Grade 5 Teachers
