Dear Parents,

Welcome to Second Grade! We hope you have all been having a restful and enjoyable summer. Soon, the new school year will be upon us. We are looking forward to meeting you all.

Enclosed you will find two forms and a "Super Second Grader" sheet for your child to fill out and put a picture of themselves on. This will be for a bulletin board at the start of the year. One form, is an informal questionnaire to help us get to know your child from your perspective. The second, is a procedural form to help us get things off to a good start regarding emergency information and your child's method of transportation to and from school. This is most helpful for those first few days of school. We ask that you take a few moments to complete these forms and bring them with you to our Second Grade Get Together on:
