

Fairfield Public Schools

Lunch Payment System

The Fairfield Public Schools uses a Point-of-Sale lunch payment system. You put money in your child's account and when your child purchases food or beverages, the cost is deducted from his/her account. You can check your child's balance by registering on www.MyPaymentsPlus.com. Registering on MyPaymentsPlus is free and allows you to receive e-mail notifications when your child's balance goes below a certain amount. It is your responsibility to monitor the balance in your child's lunch account.

You may put money into your child's account in one of three ways:

You may set up an account through www.MyPaymentsPlus.com and pre-pay whatever dollar amount you choose using a checking account, debit or credit card. (You will be charged a 4.29% convenience fee for using your checking account, debit or credit card. These charges cover the cost of bank fees. The school district does not earn any income from these fees.)

You may call MyPaymentsPlus's toll free number at 1-(866)-563-7538 and pre-pay by checking account, debit or credit card over the telephone. (You will be charged a 4.29% convenience fee for using your checking account, debit or credit card. These charges cover the cost of bank fees. The school district does not earn any income from these fees.)

***Please note:** If you choose to pre-pay through MyPaymentsPlus, you will be given the option of putting money into either a Meal Account or a General Account. The Meal Account will only allow a student to purchase the meal that is posted on the menu. If your child purchases milk or water, we recommend you put your money into the General Account.

You may send in a check to the Cafeteria Manager. The Cafeteria Manager will enter your check amount into your child's account. Checks should be made payable to Fairfield School Lunch. (There is no fee for this method of payment.) Please put your child's name and grade on the check.

Please remember to put money in your child's account on a timely basis.

You can view what your child purchased for lunch by logging onto www.MyPaymentsPlus.com. Click on Purchase History, select your child's name and a date range and the purchase information will appear.

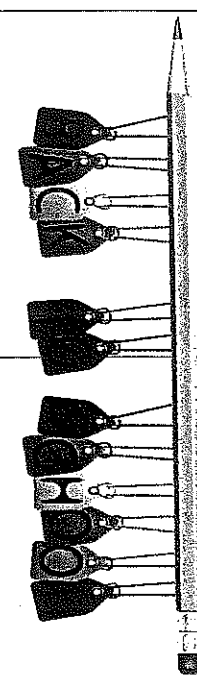

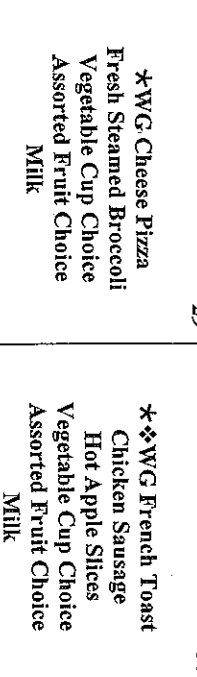

2013 – 2014 Free and Reduced Price Meal Applications are available in your school office or on-line on the food services webpage.
