ABSENCES/ TARDIES

If a child is to be absent or tardy, **parents must report the absence or tardiness using the Absentee Call-in line at (203) 255-8415.**

Attendance of Students – Parent or Guardian Obligation In accordance with Connecticut General Statutes, Section 10-198a, Policies and Procedures Concerning Truants, the district is required to notify a parent or guardian of children age five and over and under eighteen of their responsibility to have their child attend school regularly. A student is considered to be “in attendance” if present at his/her assigned school, or an activity sponsored by the school (e.g., field trip), for at least half of the regular school day. A student who is serving an out-of-school suspension or expulsion should always be considered absent.

Tardy: Students entering school after 8:55 AM should proceed to their classrooms and will be marked tardy by their homeroom teachers. Students arriving after 9:10 AM should sign in (that is, **be signed in by an adult**), at the main office.

Students may not be dropped off at the curb, sent, or taken directly to the classroom.

Upon the child’s return to school following an absence of any kind, parents are required to send a note to the classroom teacher regarding the nature of the child’s absence.

BEFORE-SCHOOL POLICY

Children may not arrive at school earlier than 8:45 AM. There is no supervision on school grounds prior to that time. To ensure the safety of your child, students that are dropped off prior to 8:45 AM will be required to call home to arrange transportation home. Students may arrive early only if they are attending specific school-scheduled and supervised activities such as band, choir, or orchestra rehearsal.

AFTER-SCHOOL POLICY

Playgrounds are not supervised after school. To ensure the safety of your child, students should **not** remain in the building or on the playground after 3:30 PM unless specific arrangements for supervision have been made. Students participating in an extended-day program or activity should have a note indicating their alternate dismissal arrangement.

**Kids Care is Available both before and after school.
Please call Roseanne Young at (203) 767-1550 for more information.**

BICYCLES

Riding bicycles to and from school should be done with extreme caution as well as only by those students in the upper grades. Please review all rules of the road with your children, practice the route to be taken, and preferably accompany them each day, if you choose to allow them to ride their bicycle to school.

BULLYING POLICY

Mill Hill Elementary School promotes a secure and happy school climate, conducive to teaching and learning that is free from threat, harassment and any type of bullying behavior. Therefore, it is a policy of the Board of Education that bullying of a student by another student is prohibited, and such instances will be documented and acted upon accordingly. This includes any threatening behavior over the Internet.

Click on the link below to be directed to the Fairfield Public Schools Bullying Policy:

http://cdn.fairfieldschools.org/boe/family-packets/FAMILY-GUIDE-2014_REV-7-17-14.pdf

BOARD OF EDUCATION DEFINITION OF BULLYING :

“Bullying” means the repeated use by one or more students of a written, oral or electronic communication, such as cyberbullying, directed at or referring to another student attending school in the same school district or a physical act or gesture by one or more students repeatedly directed at another student attending school in the same school district that: A. causes physical or emotional harm to such student or damage to such student’s property, B. places such student in reasonable fear of harm to himself or herself, or of damage to his or her property, C. creates a hostile environment at school for such student, D. infringes on the rights of such student at school, or E. substantially disrupts the education process or the orderly operation of a school. Bullying shall include, but not be limited to, a written, oral, or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics. (The student against whom the activity is directed must be attending school in the same district as the students engaged in the activity.)

BUS TRANSPORTATION PROCEDURES

1. Seating on the bus is at the discretion of the driver. We encourage students to be seated according to their grade level, K-2 grade students sit in the front of the bus and then 3-5 grade students. There are no reserved seats other than those assigned by the school or the driver for safety or disciplinary reasons.
2. Appropriate behavior on the bus is expected from all students. Discipline reports issued by the drivers will be sent home for the signature of the students' parents or guardians. The third report, or a very serious offense, received by a student may result in the temporary suspension of his or her bus privileges. Our goal is to have a safe bus ride to and from school for every student.
3. Please share the following procedures and safety rules with your children before they board the bus:
 - Leave home early enough to arrive at your bus stop on time.
 - Do not wait for the bus in the street. Wait well away from the edge of the road.
 - Wait until the bus comes to a **full stop** before approaching the door. It saves time if you line up with younger children boarding first.
 - When boarding or leaving the bus, go up or down the steps **one at a time**.
 - Take your seat immediately, and do not stand up until the bus arrives at your destination.
 - Keep your legs, feet, and any articles you are carrying out of the aisle.
 - Speak in soft voices and avoid singing, shouting, or throwing objects.
 - Avoid talking to the driver, except in cases of emergency.
 - Do not open bus windows without the driver's permission.
 - Keep your head, arms, and hands inside the bus at all times.
 - When leaving the bus, if you must cross the street, walk in **front** of the bus (at least six feet away from the bus) in full view of the driver. Stop and look both ways, and wait for the bus driver's signal to cross. This is a very important safety procedure.

CONCERT AND SCHOOL PERFORMANCE ETIQUETTE

Concert etiquette can best be taught to children by example from their parents, teachers, and other adults. Here are some important reminders:

- Please arrive on time
- Turn off cell phones and pagers
- Supervise young children at all times
- Take photographs and/or videotape from the rear or side aisles
- Avoid bringing food or drink into the performance area
- Avoid conversations during the performance
- Hold applause until the end of a piece
- Avoid waving or calling out to performers
- Stay seated and quiet whenever possible

The performers work very hard in order to prepare for performances. Keeping distractions to a minimum will ensure a quality performance for all in attendance.

SOAR is our new positive school climate program. Mill Hill students SOAR by showing expected behavior all over the school, and following these values:

S-Safety: I will use self-control to make good choices

O-Organized: I will be prepared and think ahead

A-Achievement: I will always do my best

R-Respect: I will treat others the way I want to be treated

Check out the link below to learn more about our SOAR program:

<http://fairfieldschools.org/schools/mh/soarprogram/>

DISMISSAL

All students not taking the bus must have a note from home stating their personal plan for dismissal, regardless if they are walkers, riding their bicycles, or being picked up. This note must be given to the child's classroom teacher.

DISMISSAL NOTE TIPS:

1. Whenever you must make changes in your child's schedule at school (e.g., picking your child up early or after school, staying for an after-school activity, or making arrangements for an after-school play date with another child), **please inform your child's teacher in writing.**

To avoid anxiety in your children, please be sure they know where the note has been placed in their backpacks. This will avoid anxious phone calls home. **Failure to send in a note will result in your children being put on the bus.** Large numbers of phone calls coming in around dismissal time create problems and make phone lines unavailable for an emergency. **If a last-minute phone call is absolutely necessary,** it must come from a parent, guardian, or a designated baby sitter or nanny. The names of such designated sitters or nannies must be on file in the office, with the classroom teacher, and listed on all emergency cards. **E-mail is not a preferred method of making such arrangements.** Teachers are busy working with students and are unable to check e-mail.

Please be reminded that the policy of the Fairfield Public Schools **prohibits students from riding on any bus other than the one to which they have been assigned.** However, if your child is going home with another child on the **same** bus (the one taken every day), he or she may get off at a different stop, provided there is a note from his/her parent or guardian.

DISMISSAL DURING THE DAY:

Please avoid picking up your child early for non-medical/emergency reasons. Students who **must** be dismissed early for medical appointments must present a written note in advance. Parents are encouraged to make these appointments **outside of school hours.** Parents must meet their child in the school office.

DISMISSAL PROCEDURE

Dismissal arrangements must be provided to the teacher first thing in the morning. **Your child will take the bus home if they do not arrive with a note stating otherwise.** We respect that changes do occur, however you must call the Main Office by 2:30 for non-emergency requests for change in dismissal plans. Pick-ups will only be out of the Gymnasium. It is requested that parents park in the back parking lot. For students' safety, please do not attempt to pick-up your child at the classroom or out of the bus line.

- There will be 3 staff members in the gym.
- There will be a staff member by the outside door with a binder listing reported dismissal notes for the day.
- Parents will be instructed to sign out the students they are picking up. THEN they will be able to take them.
- If your child will be a pick-up or walker **every day**, you may send in a “standing” note that states that. They will be dismissed from the hallway between the grade 5 portables and the Gymnasium. If you choose to change that plan on any given day, or for more long term, you must send in an additional note stating the change.

DRESS CODE POLICY

At Mill Hill Elementary School we know that our students' dress reflects pride in the school and in them. At no time should clothing be a **distraction** to the students, nor should their attire be a danger to their **personal safety** in the classroom or on the playground. Below are some guidelines for appropriate dress:

- Appropriate *closed* footwear must be worn (no flip-flops, clogs, or open-toed sandals). Sneakers **must** be worn on Physical Education days.
- Hats may not be worn inside the school (these items may be worn at recess and placed in cubbies during school hours).
- **Appropriate outerwear must be worn to outside recess in the winter months.** Please dress your child accordingly.
- Short shorts, bare-midriff style shirts, and halter-tops are inappropriate school attire.
- Tank tops are allowed as long as the strap is greater than one inch wide.
- T-shirts that display alcohol- or drug-related logos, or inappropriate messages are prohibited.
- Jewelry that is inappropriate or considered a danger will not be allowed (dangling earrings, chains, or bracelets).

EMERGENCY CLOSING OF SCHOOL

The district determines the necessity for the emergency closing or delayed opening of school due to weather conditions or other occurrences.

Click on the link below to be directed to the “Hours of School Operation” page on the Fairfield Public Schools website:

<http://fairfieldschools.org/parent-resources/hours-school-operation/>

There will be a notice on the FPS website www.fairfieldschools.org if school is delayed or closed early, but it is strongly advised that you take advantage of the text and e-mail notification system described below.

You can sign up for text message, e-mail notification, by selecting the desired option in your Infinite Campus account.

Additionally, announcements are made over the following local radio stations:

WICC 600 AM	WEZN 100 FM
WNAB 1450 AM	WEBE 108 FM

You can also go to <http://ctweather.com/> go to *Cancellations & Notifications, Schools*

Announcements for delayed opening are typically made by 7 AM. Early-dismissal announcements are usually broadcast by 11 AM.

A recorded announcement regarding school closings, delayed openings or emergency early dismissals is available by calling 255-TALK (8255). ***Please use this number instead of calling the school.***

EMERGENCY CLOSING TIPS:

In the event of an emergency early school closing due to inclement weather or other emergency, parents are encouraged to develop an **emergency plan and discuss it with their children** in advance. To be prepared for such an emergency, parents will want to implement a family emergency plan such as

- Be sure to update emergency contact information online.
- Give your children three to five homes to go to in the neighborhood, in a certain order.
- Remind them to go to the designated neighbor.
- Have them call you or another adult when they arrive to inform you of their whereabouts.

We suggest that you walk through a simulation with your children to give them the experience in a non-threatening situation. This planning not only prevents numerous phone calls but also alleviates the children’s anxiety.

EMERGENCY PHONE CALL POLICY

Plans for the afternoon should be made at home prior to coming to school. In an **emergency**, the office phone may be used with a teacher's permission. Only emergency phone messages for children and/or teachers will be delivered during the school day. Each classroom teacher will review the telephone policy with your children in school.

FIRE AND LOCK-DOWN DRILLS

Connecticut law requires that each school hold monthly fire drills. Lock-down drills are held up to two times per school year. There are procedures at school to evacuate children quickly and safely in the event of fire or other emergency. Each classroom teacher has an evacuation plan that is reviewed and practiced accordingly.

FULL-DAY KINDERGARTEN SCHEDULE

This year the full day schedule for incoming kindergarten students will begin on the first day of school, [September 3, 2015](#). All kindergarten students will go to school at the same start and end times as all other grades.

FAMILY VACATIONS

Parents are urged to refrain from withdrawing students from school during non-vacation times. However, if circumstances do cause an unavoidable extended absence incurring a loss of instructional time, it is your responsibility to notify the classroom teacher so that s/he may keep work aside for the student to “make up” upon return to school. Your child may receive missed assignments to be completed at home if requested. **Please do not ask that work be sent with the student on a vacation.**

Click below to be directed to the “Vacations When School is in Session Policy” on the Fairfield Public Schools Website:

http://cdn.fairfieldschools.org/boe/family-packets/FAMILY-GUIDE-2014_REV-7-17-14.pdf

FIELD TRIPS

Each grade level has several field trips throughout the year that provide for increased learning in specific curriculum areas. Permission slips are sent home in advance along with requests for fees, if necessary. Note: The Mill Hill Elementary School PTA subsidizes Field trip costs, and scholarships are available. Travel is generally by school bus, although coach/luxury buses are hired for longer trips. Parents are often needed as chaperones and can volunteer by contacting their child's teacher or PTA Room Parent (depending on the arrangement).

GUIDELINES AND EXPECTATIONS FOR PARENT VOLUNTEERS IN SCHOOL

Thank you for offering to lend a hand as a parent volunteer at Mill Hill Elementary School. All parent volunteers must complete the Volunteer Information Form and Waiver of Liability form at the back of this handbook.

Our teachers are outstanding, yet it's a real challenge to meet the academic, social, and emotional needs of each child within the classroom setting. As a staff, we firmly believe that there is a direct correlation between the quality of education that can be achieved in a school and the visible presence of caring parent volunteers. In order to keep all minds and bodies appropriately focused and "on task" during instructional sessions, additional adult eyes and hands can dramatically improve the efficiency and productivity of the children's participation in a lesson or activity. Below is a list **of ethical standards** for parents who serve as volunteers at Mill Hill. The school reserves the right to "dis-invite" a parent volunteer who is not able to adhere to these standards.

1. Volunteers must aspire to **"professional standards" of ethical conduct** while serving in the school and while communicating about school activities outside of the school. Please respect confidential matters and the **special "trust"** that is formed between the school and the parent volunteer. There should be no judgmental or comparative anecdotal conversations in school or within the school community regarding the following:

- Perceived strengths, weaknesses, or "styles" of individual children or teachers
- Children who display developmental delays or a need for special education or social services (School Psychologist, Social Worker, Speech and Language Pathologist, etc.)
- Children's social, economic, academic, or emotional challenges or advantages

2. Volunteers must try to adhere to the schedules they have worked out with their cooperating teachers. **If you are not able to keep to your scheduled arrangement, please notify the classroom teacher as soon as possible in advance.**

3. Volunteers with questions about the methods or practices of a teacher should make arrangements to seek clarification **from the teacher.**

4. Volunteers may be asked to work with children directly or handle management tasks (laminating, copying, etc.) as determined by the teacher.

Your role as a parent volunteer is important to our overall success and to the quality of learning we are able to provide the Mill Hill Elementary School children. **We want and need your involvement as a volunteer.**

IMMUNIZATIONS AND PHYSICALS

Children must have all of the necessary physical examinations and immunizations. All families with children who require physical examinations have been (or will be) notified.

If you have any questions about this, please contact the school nurse. Proof of immunizations and physical examinations (at specific intervals) are required by law.

ITEMS NOT PERMITTED IN SCHOOL

In order to ensure the student safety and the protection of personal property, parents are encouraged to closely monitor those items that are brought or worn to school by students. **The school is not responsible for lost, stolen, or broken prohibited items.** Handheld tablet style devices are allowed if used for ebook purposes.

LIBRARY LEARNING COMMONS

The classroom teacher and the Library Learning Commons teacher, Miss Gina Gorton, deliver Mill Hill Elementary School’s library media program collaboratively.

Flexible scheduling allows us to incorporate information literacy and technology skills in the curriculum-based K-5 research projects so all students have the opportunity to become independent, responsible users of information. An important aspect of our program is the presentation of these projects to our learning community. We are committed to providing access to all of our resources. Circulation is guided, and children are encouraged to visit the library on a daily basis.

LUNCH PROCEDURES

Lunch may either be brought from home or purchased through the electronic payment system, which is outlined below:

You put money into your child's account. Your child's name/picture appears on the computer screen located at the lunch line. When your child comes through the line, the Cafeteria Manager simply presses your child's picture, presses the meal your child is selecting (hot lunch, bagel plate, milk, or water), and off s/he goes! The price of the lunch/milk is automatically deducted from your child's account.

How do I pay for meals or milk?

There are three ways to put money into your child's account:

1. **You may send in a check or cash to the Cafeteria Manager.** Please place your payment in an envelope marked with your child's name and grade. The Cafeteria Manager will enter your check/cash amount into your child's account on the computer. Checks should be made payable to **Fairfield School Lunch** (there is no fee for this method of payment).
2. **You may pre-pay via the Internet using www.MealpayPlus.com** and enter the dollar amount you choose using a debit or credit card. You must have your child's student identification number to use this feature. You may obtain that number by calling the Main Office. Please note that convenience fees apply to use this method, which cover the cost of bank fees. The school district does not receive any income from these fees.
3. **You may call Mealpay's toll-free number** at 1-866-875-6833 to pre-pay by checking account, credit, or debit card over the telephone. As above, convenience fees apply using this method.

Please note: If you choose to pre-pay through Mealpay, you will be given the option of putting money into either a Meal Account or a General Account. The Meal Account will allow a student to purchase only a hot lunch meal. If your child purchases milk or water, even occasionally, we suggest you put your money into the **General Account**.

How do I know the balance in my child's account?

We will send home a "low-balance" letter weekly if your child's account falls below three meals. This letter is a reminder for you to add money to your child's account. You can also check your child's balance by registering on www.MealpayPlus.com. Registering on Mealpay is free and allows you to receive e-mail notifications when your child's balance goes below a certain amount. This registration does NOT require that you pay via Mealpay, but allows you online access to account balance and automatic e-mail notifications.

Do I need to use all the money in my child's account this school year?

No. Any money left in your child’s account at the end of this school year will carry over to the next school year.

PARKING

School buses and emergency vehicles **must** be able to enter and leave the school **at all times**. Buses have been delayed because of people parking illegally.

In an attempt to reserve parking for staff, particularly those who travel from school to school, we ask that you use the parking lot to the rear of the school. The parking lot in the front of the school is reserved for staff. Parking is limited during school functions, such as Open House. Please use caution and abide by parking restrictions when parking. There have been several incidents that prompted safety concerns. Of particular concern are earlier arrivals for Band and Strings rehearsals. **Please use the circle to turn around and exit the parking lot, rather than performing an illegal u-turn in the parking area.**

PICK-UP/ DROP-OFF RULES:

1. Dropping off children before 8:45 AM is prohibited under the Fairfield Public Schools' district-wide policy.
2. When dropping off your children, please use the drop-off loop (Stop, Kiss, and Drop) and pull your car up as far as possible. **Do not leave your car.** If your child needs assistance, ask the attending teacher(s) to help. **Have your children exit from the passenger side of the car only.**
3. Park only in the areas designated with white lines.
4. Parents who are picking children up after school **must park and meet them at the designated pick-up area.** When picking your child up after school, please arrive before 3:15 PM so you will allow enough time to park your car and walk to the school. **Do not park in the bus loop in the front of the building.** This area must be left clear so that the buses can pass as needed.
5. **Under no circumstances should you instruct your child to meet you at your car!** This is against school policy and is a serious safety concern. The children have been advised that if they have a note that they are being picked up, they may not meet their parents anywhere other than the designated pick-up area.
6. It is imperative that caution be used at all times when driving near school grounds and in driveways. **Please drive slowly.** Also, avoid parking in the handicapped spaces unless you have a permit. Please be a positive role model for driving, parking, and walking safely. Please know that our students' safety is our primary concern. Your caution and cooperation are most appreciated.

PROFESSIONAL DEVELOPMENT

Tuesday, October 6	Early dismissal day (1:40 PM)
Tuesday, November 3	Full Day (school not in session)
Thursday, February 11	Early dismissal day (1:40 PM)
Friday, February 12	Full Day (school not in session)

- Encourage parent and public involvement in the public schools of the nation. Support and speak on behalf of children and youth in the schools, in the community, and before governmental bodies and other organizations.

HELP YOUR CHILD SUCCEED – PLEASE JOIN! Research has proven children perform better when their parents are actively involved both at home and at school. Grades and test scores climb. Self-esteem grows. Schools improve. The PTA helps parents, students, school staff, and the community work together to build programs and activities that benefit your children. Your time, participation, and financial contributions are so important to the success of our family here at Mill Hill. Sign up at Mill Hill’s welcome-back coffee on the first day of school or online at www.millhillpta.com

BECOME INVOLVED: The key to Mill Hill’s successful school spirit and community atmosphere is the PTA volunteer! Please consider volunteering for one or more of our committees. The Mill Hill PTA has over 50 working committees that are enriching our children’s education, that are fundraising or administrative, and some that are just plain FUN! Our fundraisers provide financial support to Mill Hill that directly benefits each child, such as curriculum enrichment programs, books, classroom materials, field trip subsidies, teacher grants, scholarships *...just to name a few.

You can sign up any time by contacting our Volunteer Coordinators, by contacting a committee chair directly (listed in the Mill Hill PTA Web site,) or talking to us directly at our welcome-back coffee in the cafeteria on the first day of school!

PTA DIRECTORY

The Mill Hill Elementary School Directory is a listing of the names, addresses, phone numbers, and e-mail addresses of all the families at Mill Hill. It is published by the PTA and offers an excellent consolidated source of important information. Participation in the directory is encouraged, but it is optional. **Parents must fill out a directory form in order to be included in the directory.**

PUBLISHING STUDENT IMAGES

Mill Hill Elementary School routinely makes use of videotaping, digital, and traditional photography for educational purposes. Examples may include the videotaping of concerts, assemblies, or class productions. Student images without names may be displayed in a variety of ways, including bulletin boards, publications, and school or class websites. **Parents who do not want their child videotaped or photographed (and those images displayed as described above) are asked to indicate this in Infinite Campus.**

PUPIL SERVICES PROGRAMS

The Special Education Department is comprised of a team of professionals dedicated to ensuring that all children learn. The members, comprised of four Special Education Teachers, a Speech and Language Pathologist, Social Worker, Occupational Therapist, Physical Therapist, and School Psychologist are specially educated and trained to address the specific learning needs of the children at Mill Hill. Together, the department addresses the learning, behavioral, emotional, and social needs of the students. The Special Education Team, under the leadership of School Psychologist Melissa Ringer, meets regularly throughout the year with Mr. Chase, classroom teachers, specialists, and parents to address academic and social issues of concern. Some meetings may result in a Planning and Placement Team meeting, where the team designs individual student programs, brainstorms behavioral and academic strategies, and determines the best way to enhance student learning.

PSYCHOLOGICAL/COUNSELING SERVICES

Our school has a full-time School Psychologist available to every child, parent, and staff member. Our School Psychologist, **Melissa Ringer**, has specialized training in both education and in psychology, and uses his skills as a professional to assist students in their educational, personal, and social development. Miss Ringer works with the entire school community toward the goal of helping all students reach their full potential. As students face different challenges, these services can provide solutions for tomorrow's problems through thoughtful and positive actions today. Among those services are:

- Peer mediation groups
- Interest groups
- Peer leadership groups
- Groups to help children enrich their social and friendship skills
- Classroom lessons to help children learn how to get along with others

SOCIAL WORKER SERVICES

The Mill Hill Elementary School Social Worker, **Mrs. Kirsten Sabrowski**, provides support for students through a variety of modalities. These include:

- Individual counseling

- Dyad or group work focusing on enhancing social skill development or to provide children experiencing difficulties (such as divorce, bereavement, etc.) with a peer support network
- Classroom lessons on character development (including topics such as bullying, gossip, good sportsmanship, diversity, tolerance, kindness) focused on creating a supportive learning environment
- A school-wide program on diversity and tolerance
- Support to Mill Hill faculty in the form of resources and consultation
- Family support in the form of resource referral, counseling, consultation and limited home visits.

SPEECH AND LANGUAGE SERVICES

Speech and language services are available for students whose difficulties in articulation, fluency, voice and/or language have an adverse effect on educational performance. The Speech and Language Pathologist, in collaboration with the classroom teacher, special educator, and School Psychologist, designs instruction to address educationally related communication needs. Students are selected for the program on the basis of staff or parent referrals and diagnostic evaluation. **Mrs. Nickie Gosselin** is our Speech and Language Pathologist.

STANDARDIZED TESTING SCHEDULE

Students in the Fairfield Public Schools participate in the Smarter Balanced Assessment Consortium (SBAC) assessment. The SBAC is a state-mandated examination administered to children in grades 3 – 8 that will take place after the New Year.

Principal’s Vision Statement

We at Mill Hill strive to be champions of education, champions of children. We believe that we can reach higher levels of achievement through a constant cycle of reflection that lends itself to close examination and analysis of past and current practice to lead to continuous improvement. Each child is an individual in their own right and thus growth is commensurate to their individual needs and abilities.

More specifically, we collaborate in teams throughout our entire organization. We believe that inherent in the power of collaboration is that collectively we are smarter than any individual in the collective. Through this philosophy we will improve the capacity of administrators, teachers, and other key stakeholders to improve both the overall learning environment for our students and in turn their academic achievement and personal growth.

We are constantly examining student achievement outcomes. This close examination leads to focused reflection to identify instructional practice that produces positive student achievement outcomes for, as we know, there can exist instructional practice that is viewed as effective, but does not produce the desired results. In short, if we are responsive to student learner outcomes, we will improve student achievement.

This structure has clearly defined components that allow for a system of checks and balances that illuminate areas to both replicate and revise. This clear vision, communication of this vision, along with a transparent and well-articulated structure that is aligned in its documentation, tasks, and functioning throughout the organization is the backbone of our success. We strive to nurture the growth of the whole child. We will always work to follow our motto; “Mill Hill is a Home for the Mind and Heart.” Keep your heart in mind.

MILL HILL ELEMENTARY SCHOOL Theory of Action

Mill Hill Theory of Action

If we strategically and systematically design a school improvement plan that defines adult actions and measurements of successful implementation, then support will be given to students and staff toward our goals and student achievement will improve.

If we effectively monitor the progress of data within school and instructional data teams, then we should identify successful instructional strategies in improving student achievement.

If we define and create a level of support structures within staff to assist teachers in pedagogy and students in learning, then student achievement will increase in targeted areas.

If we create a school culture centered on collegiality to benefit students and student achievement, then staff will be better equipped to meet the differentiated needs of our students utilizing best practices and student achievement will improve.

If we engage in a reflective academic environment of planning, delivering, and adjusting for a high level of rigor with effective questioning prompted by Bloom's levels 4 (Analyze), 5 (Evaluate), 6 (Create), then student achievement levels will increase to higher levels.

If we reorganize our thinking and practice to focus on the growth of high achieving and gifted students, then we will see categorical growth within our higher performance levels and no regression of achievement.

If we create a school culture that invites family involvement, honors and celebrates community to nurture the whole child, then staff will be better equipped to meet the differentiated needs of our students to allow them to be better prepared to eventually contribute to our community.

If we constantly challenge ourselves to create opportunities for students to learn through tasks and in an environment that demands they think at higher levels, encourages divergence of thought and the incorporation of a digital learning environment, then we will empower them to become innovative contributors to our global society.
