**FAIRFIELD  
PUBLIC SCHOOLS**

Dear Parents:

This month our school will once again be embarking on a special project, an all school book club called Mill Hill Reads. *Every family* will receive a copy of the same book – The One and Only Ivan– along with a special book mark and will be asked to read it at home over the next four weeks. We will then pass the books along to another school to enjoy! I am personally asking you to make the time so your family can participate in this special activity.

Reading aloud at home is valuable because it better prepares your child to be an effective reader. But it is also a fun, worthwhile family activity. With the Mill Hill Reads program, we aim to build a community of readers at our school. Everyone – students, parents, teachers, and even administrative staff – will be participating, and we can all reap the many benefits.

Mill Hill Reads is a novel program in that children at all grade levels will all be listening to the same book. Strange or daring as that may seem, it actually makes sound educational sense. Reading professionals recommend reading material out loud that is beyond a child's own reading level. And we also believe that you can and should continue reading chapter books with your older children, even when they are able to read by themselves. We have selected a title that can be followed and understood and enjoyed by younger students, but that will still captivate and stimulate older children.

Daily trivia questions will be announced over the loud speaker. Correct entries will be placed into a weekly drawing for a chance to win a gift card to Barnes and Noble.

Good luck! I hope to talk with both you and your student sometime this month about all the great adventures in this wonderful award winning story! "When a whole school reads a book, there's a lot to talk about." With your help, we can build a Community of Readers at our school.

Sincerely,
