

# NSS Family Math Night

Thursday, March 5<sup>th</sup> 7:00pm-8:30pm

We hope you and your guest enjoy yourselves tonight! Please feel free to rotate around each of the stations. There are 12 games in the APR, Airplane flying in the hallway and the computer lab is set up for some online games as well. Some games are better suited for certain grade levels which you will see on the table numbers. You may not get to every station, but please try to allow yourself at least ten minutes a game, or pick 5 activities and spend about 15 minutes. Most importantly, HAVE FUN!
