

Cross Out Singles

You Need: a partner or small group

One die or a 0-9 spinner

This game is for 2 or more players.

Rules:

1. Each player gets a recording sheet for a game of 3 rounds
2. to begin the game, one player rolls the die or spins the spinner
3. All players put the number in a square on their first chart. Once a number is recorded, it cannot be changed.
4. Another player now rolls or spins to generate another number to record in another square. Take turns rolling or spinning until players have filled all 9 squares on their charts.
5. Players then find the products of the rows, columns and diagonal and record them in the respective circles.
6. Players examine their products. Any products that appear in only one circle must be crossed out.
7. The added total of the products that are not crossed out is the player's score for that round.
8. Play two more rounds then compare the totals.
