

You're going on a vacation!

Introduction:

Your parents have told you that you can go anywhere in our beautiful state for a day IF YOU do the planning!

The Task:

You will need to take a virtual tour of our state to discover its many symbols and places of interest. You will work independently to research several Connecticut attractions and take your notes in a WebQuest Journal. You will discover:

- Symbols of our state
- Our borders (Hint: we're a small state!)
- Our capital city and what important work happens there
- Where your family can go to learn and have fun

As an expert on Connecticut, you will create a rationale for your vacation. Then, as a class, you will create a mural of Connecticut showing all the places about which you have written. The murals will be exhibited in the main hallways at Osborn and will be open to the public during school hours.

The Process: 1. Start your virtual tour of Connecticut by clicking below to see a chart of Connecticut symbols. You might want to share your new knowledge with your family!

- **choose three** symbols you think might want to learn more about
- **draw them in the three boxes** in the journal (with notes about what you've read, of course!)

Some of our state symbols you might want to read about are:

Flower	Tree	Bird	Insect
Mammal HINT:(look for the word <i>animal</i>)	Ship	Fossil	Aircraft

2. You need to know what our state looks like on a map.

You need to know what borders it, too.

Click below to see a map of Connecticut.

Using the map in your Connecticut WebQuest Journal,

- **Label our state.** (Be sure to spell it correctly!)
- **Mark, then label where Fairfield is.**
- **Label the states and the body of water that border Connecticut**

Hint: Watch out for the **red letters: (a and o)** in the keywords!

4. Many people don't know that Connecticut has many State Parks and Forests.

- Choose **2**.
- Name the **park or forest**
- **Sketch** a picture from the photograph on the web page to help you remember how special that place is.
- **Write** a note about what you and your family could do there.
- **Write** how much it would cost to go there
