PRINCIPAL'S MESSAGE

October 7, 2016

Thank you to students, staff and students who took part in our annual Walk A Thon last week. A very special thank you to Sara Jannott for her tireless work in our cafeteria and main foyer collecting, motivating and making it all happen. PTSA volunteers worked for weeks to do this incredible fundraiser. The RLMS Walk A Thon raised close to \$30,000 at the time of writing this letter to support student activities, special events and school related items this year. We are looking to find ways to directly impact students in the classroom and special events with these funds! I suspect our grand total will topple over \$30,000.

I will be adding informational items to my messages this year. I frequently hear from parents "my child tells me very little about his/her day". In an effort to support parents in school conversations, I am continuing a monthly **Curriculum Corner** column in the PTSA Blast. As always, feel free to contact the teacher if you have specific questions or concerns. I am hopeful that the information below will support RLMS parents and students throughout the year. Please click on the link below to get a glimpse of what is happening at RLMS!!
