Dear Crew 6L Students,

Wow! Can you believe that in just a few short weeks, you will be attending Roger Ludlowe Middle School as a 6th grader? It is true, and we hope that you are as excited about coming to Roger Ludlowe as we are excited about being your teachers this year.

Being a part of Roger Ludlowe Middle School will be an enriching academic and social experience for you. You will find that one of the main reasons why RLMS is a great school is because of the teachers. Mrs. DeNomme, Mr. Swaller, Mr. Tomei, Ms. Paladino, and Mrs. Vernon are looking forward to working with you this year. Mrs. DeNomme will share what she knows about weather, geology, ecology, estuaries, and much more in her science classes. Mr. Swaller will take you around the world to learn about the history, geography, and culture of different locations in his social studies classes. Mr. Tomei will explore data, statistics, fractions, decimals, geometry and many other mathematical concepts in his math classes. Ms. Paladino will be teaching language arts where you will grow and develop as readers and writers. Mrs. Vernon will be supporting students in the classroom and learning center. As you can see, you will be very busy with all of the exciting activities that your teachers are planning for you this year. In addition to your crew teachers, you will also have unified arts (UA) teachers. The classes that you will be participating in for UA include physical education, health, music, computers, sewing, cooking, and art. Your days at RLMS will be very busy.

As the first day of school approaches, we would like you to begin preparing for your 6th grade year on Crew 6L. Your preparation will help you start on the right foot and ensure that you get off to a successful start at RLMS. Please review the supply list to the right. We would love for you to bring a 2" x 2" picture of yourself from last year for an activity we will do during the first week of school, as well.

Once again we are all looking forward to meeting you at **Orientation on Wednesday, August 31st**. We hope you continue enjoying the rest of your summer.

Kindly,
Crew 6L Teachers

Here are some supplies that are important to bring on the first day of school to help you prepare for the year.

- ◆ 2 one inch 3-ring binders
- ◆ dividers
- ◆ 3-ring pencil case
- ◆ blue or black pens
- ◆ pencils
- ◆ highlighters
- ◆ glue stick
- ◆ 3-ring flat hole punch ruler
- ◆ calculator
