Welcome To 6S

Dear 6-S Crew Students,

Wow! Can you believe that in just a few short weeks, you will be attending Roger Ludlowe Middle School as a 6th grader? It is true, and we hope that you are as excited about coming to Roger Ludlowe as we are excited about being your teachers this year.

Being a part of Roger Ludlowe Middle School will be an enriching academic and social experience for you. You will find that one of the main reasons why RLMS is a great school is because of the teachers. Mrs. DeNomme, Mr. Lazar, Mr. Byrne and Ms. Ditolla are looking forward to working with you this year. Mrs. DeNomme will love to share what she knows about weather, geology, ecology, estuaries, and much more in her Science classes. Mr. Byrne will take you back into history to learn about the ancient Egyptians, Greeks, Romans, and many other civilizations in his Social Studies classes. Mr. Lazar will explore data, statistics, fractions, decimals, geometry and many other mathematical concepts in his Math classes. Ms. Ditolla will be supporting students in the learning center. Additionally, each of us will teach a Language Arts class where we will explore Readers' & Writers' Workshop. As you can see, you will be very busy with all of the exciting activities that your teachers are planning for you this year. In addition to your Crew teachers, you will also have Unified Arts (UA) teachers. The classes that you will be participating in for UA include physical education, health, music, computers, sewing, cooking, and art. Your days at RLMS will be very busy.

As the first day of school approaches, we would like you to begin preparing for your 6th grade year on Crew 6-S. Your preparation will help you start on the right foot and ensure that you get off to a successful start at RLMS.

Your Language Arts teacher will be preparing a creative writing activity that will enable you to share one of your summer reading books with your class. Once again we are all looking forward to meeting you at **Orientation on Wednesday, August 27**. We hope you continue enjoying the rest of your summer.

Kindly,

Teachers of the 6-S Crew

As the first day of school approaches, we would like you to begin preparing for your 6th grade year on Crew 6-S. Your preparation will help you start on the right foot and ensure that you get off to a successful start at RLMS.

Please bring the following supplies with you on the first day of school:

Large 3-ring binder

Calculator

8 tab dividers

Zippered 3 ring pencil case

6 blue or black pens

3-ring flat hole punch ruler

package of colored pencils

6 #2 pencils

3 spiral notebooks

loose-leaf paper

SSR book

Please note: wheeled backpacks do not fit in the lockers)
