

ROGER LUDLOWE MIDDLE SCHOOL

Summer 2015

Welcome Back!!

Welcome to Crew 7 M at Roger Ludlowe Middle School. We are looking forward to a terrific 7th grade experience for your child! We have planned curriculum based field trips, crew days, as well as interdisciplinary units. All of these activities will focus on skills that are academically, socially, and developmentally appropriate for middle school students.

This year, our crew will be once again part of a school-wide initiative called the Habits of Mind. These habits can be found on the website:

http://www.fairfieldschools.org/b_level/b_RogerLudlowe/C_RogerLudlowe/03/habits_of_mind.htm

We strongly encourage all parents and students to read about these habits and their importance in life.

The teachers on crew 7-M

will be using Infinite Campus for a variety of functions. It is recommended that parents and students familiarize themselves with the Infinite Campus format. The web address for this site is:

<https://campus.fairfieldschools.org/campus/portal/fairfield.jsp>

If you do not have access to this site email: reghelp@fairfieldschools.org for assistance.

Individual teacher uses of this site will be addressed at the beginning of the school year.

In order for each child to have a successful year, parents/guardians, teachers and students need to work together. We would like you, the parents and guardians, to support our instruction, homework, and discipline

efforts here at school. In return, we will update grade reports on Infinite Campus as one way to keep you informed about your child's experiences in our crew. We are confident that with school and home working together, each and every student can have her or his most successful year yet.
