Crew 7-S Summer Post

Roger Ludlowe Middle School

Welcome to Crew 7-S at Roger Ludlowe Middle School. We are looking forward to a terrific 7th grade experience for your child! We have planned curriculum based field trips, crew days, as well as interdisciplinary units. All of these activities will focus on skills that are academically, socially, and developmentally appropriate for middle school students.

Success

In order for each child to have a successful year, parents/guardians, teachers and students need to work together. We would like you, the parents and guardians, to support our instruc-

Habits of Mind

This year, our crew will be continuing a school-wide initiative called the Habits of Mind. The four habits our school and crew will be targeting for the seventh grade will be:

persisting, listening with understanding and empathy, striving for accuracy, and thinking about thinking.

Infinite Campus

Your teachers will be using Infinite Campus for a variety of functions. It is recommended that parents and students familiarize themselves with Infinite Campus' format. The web ad-

dress for this site is <https://campus.fairfieldschools.org/campus/portal/fairfield.jsp> If you do not have access to this site email reghelp@fairfieldschools.org for assistance. Individual teacher uses of this site will be addressed at the beginning of the school year.

SCIENCE

Science goggles will be issued for grade 7 & 8 in September of their 7th grade year. If the issued goggles are lost or damaged they can be replaced for \$5.00 by having the student see their respective science teacher with either cash or a check made out to Roger Ludlowe Middle School.

tion, homework, and discipline efforts here at school. In return, we will update your child's progress on as one way to keep you informed about your child's experiences in our crew. We are confident that with

school and home working together, each and every student can have her or his most successful year yet.
