PTSA PRINCIPAL'S REPORT – November 15, 2016

MakerBot/Author Visit – Thank You

RLMS Mock Election

Online Sport/Club Registration – NO MORE FORMS!

We have recently updated our online sports/club registration process to go paperless! Below is a link to our new online process. The RLMS sports/club sign up will cover your child in ALL intramural, club and team activities or sports for the entire school year. Online registration is required for any student that may participate/tryout in sport related clubs like badminton, basketball, cheerleading, cross country, golf, track, volleyball, or yoga. Online registration is not required for other non-sport clubs at this time (homework club, games club, yearbook, student leadership, etc).

Once you go to the above link, you will "Add a new student-athlete". Please note that the option you want to choose is RLMS INTRAMURAL SPORTS.

*NOTE-For those of you that have already completed the paper forms at the beginning of the year (intramural participation form, concussion form and sudden cardiac arrest form), you not required to do the online forms for the 16-17 school year. However, feel free to register online if you are uncertain or just want to get your child's information online!

Lunch accounts

Please be aware that "lunch loans" are not available. Whitson's cannot loan money or give food away. This system has been abused in the past and is no longer an option. A snack can be made available for students in need through the counseling center. Any student or family in need of financial support should contact their school counselor. Applications for support can be made available.

Upcoming dates to remember:

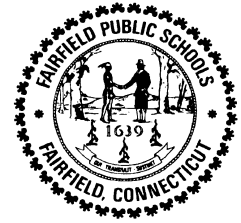

November 22 Tuesday Picture Retake Day
November 23 Wednesday Early Dismissal

November 15, 2016

Dear RLMS PTSA members~

I wanted to take the time to thank you for your generous grant. We are in the process of purchasing two MakerBot 3D Replicator printers and MakerBot technical support package. Your generous donation will support all of our Technology Education classes and will impact each and every student at Roger Ludlowe Middle School.

The students, teacher and staff thank you for your continued support and generosity. We continue to reach out for help in volunteers, donations, programs and you continue to support our school community.

I am looking forward to bringing some sample work from our 3D printers once we get the program underway. Again, thank you for all you do to support our needs.

Warm regards,

A handwritten signature in blue ink that reads "Megan Tiley". The signature is written in a cursive, flowing style.
