Dear RLMS Families:

Welcome to the 2013-2014 school year!

I am looking forward to meeting parents that are able to attend the opening PTSA meeting on Tuesday, September 3rd at 7pm. It will be a wonderful opportunity to begin our journey together and share our vision of the middle school student.

I would like to give my "pitch" in the use of Infinite Campus. This is our primary mode of communication of grades, attendance and important updates as the year begins. As the school year starts, it is critical that you make sure you frequently log in to Infinite Campus so that you receive message from the school and gather information about your child's academic progress. You can find help with this process at our district website.

Parents, please be sure to review your household emergency contact information and please make sure your account settings are complete. Middle School students can log in with their Fairfield Public Schools network username and password.

All student schedules are now available through the student and parent portal. Students: if you are having difficulty with your password or username you must wait until your return to school to reset it.

Parents who are having difficulty should email reghelp@fairfieldschools.org and we will respond as soon as possible, normally within two business days. Students are directed NOT to email this address. Additional support regarding Infinite Campus can be found at the following link:

http://fairfieldschools.org/parent_resources_infinite_campus.htm

Our dedicated and talented teachers have spent the past week getting their classrooms ready and preparing for the upcoming year. By the time you receive this message, the year will be underway! The faculty and staff are looking forward to a great year. Do not hesitate to contact your child's crew liaison, teacher, school counselor, or myself if you have any questions or need any additional support throughout the year.

GO BULLDOGS!!

Megan Tiley
