

Tips for Using the Online Text

Finding the Textbook:

- Follow the link on Edline and use the Textbook Passwords in the Content folder.
- Our Chemistry book is “Short Course K” while our Physics Book is “Short Course M.”

Using the Textbook

- You may select chapters and sections from dropdown menus at the top of the page.
- You may page forward or back and select page numbers from the top of the page.
- On the right side of each page are links to help with vocabulary and visual concepts. There is also a guided reading button, which when pressed, will *read you the text aloud* in either Spanish or English.
- Below the Chapter dropdown menu are three red tabs:
 - ✓ **Book Pages** shows you the book as it is printed.
 - ✓ **e-Activities** offers interactive learning activities including videos, concept maps (webs), graphics, virtual labs, and practice problems.
 - ✓ **Student Resources** contains *many* practice worksheets such as reviews, puzzles, vocabulary exercises, directed reading work sheets, and Sci Links online resources.
