Welcome to Crew 7S at Roger Ludlowe Middle School. We are looking forward to a terrific 7<sup>th</sup> grade experience for your child! We have planned curriculum based activities, crew days, as well as interdisciplinary units. All of these activities will focus on skills that are academically, socially, and developmentally appropriate for middle school students.

The teachers on crew 7S will be using Infinite Campus for a variety of functions. It is recommended that parents and students familiarize themselves with the Infinite Campus format. The web address for this site is:

<https://campus.fairfieldschools.org/campus/portal/fairfield.jsp>

If you do not have access to this site email: [reghelp@fairfieldschools.org](mailto:reghelp@fairfieldschools.org) for assistance.

Individual teacher uses of Infinite Campus will be addressed at the beginning of the school year.

In order for each child to have a successful year, parents/guardians, teachers and students need to work together. We would like you, the parents and guardians, to support our instruction, homework, and discipline efforts here at school. In return, we will update grade reports on Infinite Campus as one way to keep you informed about your child's experiences in our crew. We are confident that with school and home working together, each and every student can have her or his most successful year yet.

### **RECOMMENDED SUPPLIES TO HAVE FOR YOUR FIRST DAY!**

- 3 Ring Notebook
- 3-4 Sturdy Pocket Folders
- Tab Dividers
- Pencils and Pens
- Pouch for Writing Implements
- Erasers
- Earbuds/headphones
- Calculator
- Outside Reading Book
- Wide-rule loose-leaf paper

In Science class, science goggles will be issued for grades 7 & 8 in September of their 7<sup>th</sup> grade year. If the goggles are lost or damaged they can be replaced for \$5.00 by having the student see their respective science teacher with cash or a check made out to RLMS.
