NOTIFICATION OF EXTENDED STUDENT ABSENCE

Student's Name: _____

Grade/HR _____

I am requesting the release of my son/daughter from classes for _____ school days beginning _____ and ending _____. The reason for this absence from school is:

Before making this request, parents are advised to read the policy on Student Attendance # 5113, paying particular attention to the definitions of excused and unexcused absences. These can be found on page (b) and are mandated by CT statute. The official Fairfield Board of Education Policy Guide containing this policy can be found on the district's website- www.Fairfieldschools.org in the Board of Education section.

We also ask that you bear in mind that an extended absence from school can place a significant burden on student and teacher. Accordingly, please read and sign the statement below and return it to the RLMS attendance secretary in the main office prior to the student's extended absence. Please sign below that you read the above policy and are fully aware of the policies for excused and unexcused absences and that your daughter/son must assume primary responsibility for keeping up with schoolwork during this period of voluntary absence. It is his/her responsibility to notify teachers in advance, although it may not be possible for the professional staff to accommodate assignment requests for students whose absence is due to parental choice. You also understand that classroom activities such as videos, labs, class discussions and speakers cannot be duplicated.
