Thursday, September 27

Parent Conferences
(early dismissal)
Wednesday, October 10
Thursday, October 11
Thursday, October 18

SCHOOL SUPPLIES

- Pens, pencils, high-lighters, glue stick
- Soft zippered pencil case
- 1 single subject notebook (math)
- 3 1-inch binders (LA, SS, science)
- 2 packets of reinforced lined paper
- 1 2-pocket folder (science)
- 2 packages of 5 dividers with pockets (LA & SS)
- An independent reading book

Please note: no big zipping binders as they become a catch all for garbage and promote disorganization

CREW 6S NEWSLETTER

VOLUME 1, ISSUE 1

AUGUST 2018

Welcome to RLMS!

Go Bulldogs!

Dear 6S Crew Students,

Can you believe you'll be joining us at Roger Ludlowe Middle School in just a few short weeks? We are so excited to have you as 6th graders on our crew, and we hope you're just as excited!

Being a part of RLMS will be an enriching academic and social experience for you. You will find that one of the main reasons why RLMS is a great school is because of the teachers. All of us, Mrs. Capodanno, Mrs. Lareau, Mr. Lazar, Ms. Paladino, and Mrs. Reilly, are looking forward to working with you this year. Mrs. Capodanno will be supporting students in the learning center. Mrs. Lareau will share what she knows about weather, geology, ecology, and more in her science class. Mr. Lazar will explore data, statistics, fractions, decimals, geometry, and many other mathematical concepts in math class. Ms. Paladino will be teaching language arts where you will grow and develop as readers and writers. Mrs. Reilly will take you around the world by exploring the cultures of Europe, Southwest Asia, North Africa, and South Asia in her social studies class. In addition to your crew teachers, you will have Unified Arts (UA) teachers. The classes that you will participate in for UAs include physical education, health, music, computers, family and consumer science, and art. Your days at RLMS will be busy! RLMS also offers a great selection of after school clubs and activities that suit all types of interests. We hope you'll find one to join, as it's a great way to make friends and develop some new hobbies or interests.

As the first day of school approaches, we would like you to begin preparing for your 6th grade year on Crew 6S. There is a list of supplies on the left that will help you start your year off right. Please also bring in a 2" x 2" recent photo of yourself for an activity we will do the first week of school.

We are all looking forward to meeting you at Orientation on Wednesday, August 29. We hope you continue enjoying the rest of your summer! See you soon!

Kindly,

Your Crew 6S Teachers
