Welcome to Crew 7S at Roger Ludlowe Middle School. We are looking forward to a terrific 7th grade experience for your child! We have planned curriculum based activities, crew days, as well as interdisciplinary units. All of these activities will focus on skills that are academically, socially, and developmentally appropriate for middle school students. An exciting new addition to the 7th grade will be introduced next year with one to one student computers. We are looking forward to each student receiving a computer to use at school and at home in the early fall.

The teachers on crew 7S will be using Infinite Campus for a variety of functions. It is recommended that parents and students familiarize themselves with the Infinite Campus format.

Individual teacher's use of Infinite Campus will be addressed at the beginning of the school year.

The web address for Infinite Campus is:

<https://campus.fairfieldschools.org/campus/portal/fairfield.jsp>

If you do not have access to this site email: reghelp@fairfieldschools.org for assistance.

In order for each child to have a successful year, parents/guardians, teachers and students need to work together. We would like you, the parents and guardians, to support our instruction, homework, and discipline efforts here at school. In return, we will update grade reports on Infinite Campus as one way to keep you informed about your child's experiences in our crew. We are confident that with school and home working together, each and every student can have her or his most successful year yet.

RECOMMENDED SUPPLIES TO HAVE FOR YOUR FIRST

- 3 Ring Notebook
- 3-4 Sturdy Pocket Folders
- Tab Dividers
- Pencils and Pens
- Pouch for Writing Implements
- Erasers
- Earbuds/headphones
- Calculator
- Outside Reading Book
- Wide-rule loose-leaf paper
- Mouse for computer (suggested only if its use is preferred)

In Science class, science goggles will be issued for grades 7 & 8 in September of their 7th grade year. If the goggles are lost or damaged they can be replaced for \$5.00 by having the student see their respective science teacher with cash or a check made out to RLMS.
