September 17, 2018

Dear RLMS 7<sup>th</sup> grade Parents/Guardians:

Chromebooks have been utilized in Fairfield Public Schools for many years in K-12. In 2018-2019 the use is being expanded to allow more equity and access across the district. The cornerstone of Innovative Learning will be to provide Chromebooks to all students in **seventh grade** at the middle school this fall.

We would like to invite you to attend a meeting regarding our Chromebook distribution. **The meeting will be held on Thursday, September 27<sup>th</sup> at 6:15 pm in the RLMS auditorium.** This informational meeting is being held prior to our Open House Night. We will be presenting general information about our Innovative Learning Initiative. The goal is to review our policies and answer some questions that you may have along the way.

In order to prepare students for the world in which they will live and work, the Fairfield Public Schools facilitates instruction that creates and sustains inquisitive, solution-focused, collaborative learning. Our focus is on great teaching! We provide integrated technology and digital resources when appropriate, to support the work of our outstanding educators. FPS is committed to teaching excellence, and providing the tools our staff believe are essential to their important work. Innovative Learning provides both teachers and students with the tools to enable access to learning anytime, anywhere.

We look forward to seeing you on the 27<sup>th</sup>.

Go Bulldogs!!
