Are You Ready?

As you're organizing your new school supplies, are you preparing your most important tool: yourself? Middle school will provide you with an opportunity for a fresh start; one you can choose to continue your successful school habits as well as discover new ways to grow both academically and socially. Awaiting you will be new challenges that include organizing specific subject materials, following an individual class schedule, and making your way from class to class, independently. Your teachers are here to help you transition successfully.

Welcome To RLMS!

Volume 1, Issue 1

August 2019

Dear Crew 6M Students,

Welcome to Roger Ludlowe Middle School! Are you ready for a new school, new friends, and a challenging and successful year? This year, you will be part of a group of students and five teachers. Our crew is known as 6M. You will spend most of your day with your fellow "crewmates" during language arts, math, science, and social studies. However, you will have a chance to see 6th graders from other crews during your world language class, reading, unified arts periods, and lunch.

Being a part of Roger Ludlowe Middle School will be an enriching academic and social experience for you. You will find that one of the main reasons why RLMS is a great school is because of its teachers. Mrs. Baldwin, Mr. Byrne, Mr. Onderko, and Mrs. Louie are looking forward to working with you this year. Mrs. Baldwin will share what she knows about weather, geology, ecology, and much more in her science classes. Mr. Byrne will take you around the world to learn about the geography, history, and culture of different regions in his social studies classes. Mr. Onderko will explore data, statistics, fractions, decimals, geometry, and many other mathematical concepts in his math classes. Mrs. Louie will be teaching language arts where you will grow and develop as readers and writers. We will also be welcoming a new teacher to the learning center. As you can see, you will be very busy with all of the exciting activities that your teachers are planning for you this year. In addition to your crew teachers, you will also have unified arts (UA) teachers. The classes that you will be participating in for UA include physical education, health, music, computers, sewing, cooking, and art. Your days at RLMS will be very busy.

In addition to academics, RLMS offers a great selection of co-curricular clubs and activities to suit students with all kinds of interests from drama to leadership to sports. We encourage you to get involved. It's a great way to make friends and develop some new hobbies and interests.

The 6M teachers are very excited to work with you this coming year! We would love for you to bring a 2" x 2" picture of yourself from last year for an activity we will be doing during the first week of school. Enjoy the rest of your summer vacation, and be sure to keep up with your summer reading. We look forward to seeing you here at **orientation on Wednesday, August 28th** at RLMS!

Kindly,
Crew 6M Teachers
