Halloween “Trick or Treat on Safety Street” *and* Halloween “Trick or Trunk” has been cancelled.

The Fairfield Chamber of Commerce has reviewed their holiday program schedule, and as such, has decided not to proceed with a Halloween event this year, usually held on Sherman Green. Each year, the event became larger and larger thus creating a shortage of manpower, volunteer availability and program management.

We apologize for any inconvenience ... in the future, *The Chamber of Commerce* will continue its interest to explore and provide community programs that are both engaging for residents and beneficial to our members.
