

The Sherman School Special Person's Day Program is a unique tradition that began when the present school was built in 1963. It allows our students the opportunity to express their patriotism and love of their country and to remember and honor America's Veterans, both the living and those who gave their lives for their country. Each child invites a special person(s) (grandparent, relative, parent, friend, neighbor, etc.) to attend the program. The outdoor ceremony, which includes songs and poems performed by each grade level, takes place behind the school near the playground. The fifth grade *Countries Around the World* Exhibit will be available for viewing in the classrooms following the outdoor program. The second grade will be displaying the Science Fair Exhibits in their classrooms. Please RSVP in advance to your classroom teacher in order to receive your visitors pass for entry to these two events. Red, White, and Blue are the colors of the day. This year, once again, we are displaying the ***Wall of Honor*** on our portable boards to commemorate all the members of our extended Sherman family who have served in the military. After the performance, the PTA will be serving refreshments on the front lawn. In the event of inclement weather, the program will be held in the APR, grade K-2 9:15 – 10:00 and grade 3-5, 10:15 – 11:00. If you have someone special you would like Mrs. Roxbee to acknowledge at the ceremony, please send that information to the school office prior to the event.
