

Let's enrich our wonderful "Two Schools, One Book" project by helping a third school in need!

As we continue reading Masterpiece, we will be encouraging students to bring the gift of reading to students at another school. We will collect gently used books from March 23-27. If each Sherman student brings one book to donate, we will collect almost 500 books!

Books for Bridgeport

Please donate your gently used children's books to help support the school library and students at High Horizons and Multicultural Magnet Schools.

All books appropriate for kindergarten through eighth grade students are welcome.

Drop off books in the box outside the office from March 23-27, 2015.
