## Reading

- The students are reading independently each day, utilizing the strategies we have learned about in mini-lessons and small groups.
- In addition to independent reading, we have begun partner reading, and the students are enjoying it!

## Writing

- We are using a new checklist. It helps us to check our writing for spaces between words, correctly spelled Word Wall words, and periods at the ends of sentences.

## Math

- We are wrapping up our geometry unit, and will be starting a new unit on the numbers 6 – 10 next week!
