

Mr. Carr's Kindergarten Update!

Reader's Workshop

We have come to the end of our first Reading Unit. Next week we will begin to work on using meaning & print strategies. Continue to read with your child each night, identifying the first sound of words and stretching out the rest of it! Thank you for your continued support at home as we move into reading books in class!

Math

We are also at the end of our first Math Unit. The students did a great job writing their numbers, sorting and comparing groups. We will get into 2D & 3D shapes next week. Continue to practice writing numbers at home and recognizing objects in groups of 5 & 10!

Writer's Workshop

The students have been working very hard on stretching out their words and labeling their pictures during our Writer's Workshop block. We have talked about how to write a sentence and when to use Upper/Lower case letters. We will be closing our Launch/Narrative unit in the coming weeks!
