

SBAC (Smarter Balance Assessment) Presentation on the New Common Core Tests (grades 3-8 and 11)

Monday, March 3rd at Tomlinson Middle School (auditorium), 8:00 pm.

An informational forum for parents, students, teachers and administrators, followed by a Q&A period.

Guest Speaker Shelbi Cole, director of mathematics for the Smarter Balanced Assessment Consortium. Cole is responsible for ensuring that the assessments measure the depth and breadth of the Common Core State Standards for mathematics. She oversees item writing, item quality, item alignment, item sensitivity, and bias and data reviews, as well as the production of formative assessment and professional development materials. Cole previously served as a mathematics education consultant for the Connecticut State Dept of Education.

Hosted by Fairfield PTA Council. Questions, please contact Tricia Donovan at pjjjwdonovan@optonline.net
