## Medical Declaration for Field Trips

**(Required for each Student - Completed Annually)**

August, 2017

Dear Parent/Guardian:

During the school year, your child will have an opportunity to participate in several off-site field trips. Please complete the information on the attached form. These sheets will be kept by the community liaison and be available to the staff for all field trips planned throughout the year.

Please be aware, however, that for any field trips that are planned this year, you will have written notice about the trip, and a permission slip which must be signed for each specific trip prior to your child's participation.

**It is very important that you notify the school nurse if there are updates regarding:**

- **Changes in your child's health status**
- **Changes in your address \***
- **Changes in your phone number \***
- **Changes in your emergency contact \***

\*The district **Infinite Campus** is where you post changes in your address, etc. The instructions for this service are enclosed in this packet.

If you have any questions, please call my office.

Sincerely,
