Videotaping/Photographs/Surveillance

There may be occasion to videotape and take pictures of children in classrooms and activities throughout the year for educational purposes or for newspapers, orientation slides, web page, posters, or student memorabilia. If you do not want your child photographed or videotaped, please write to Mrs. Pioli in the TMS office before school begins. (Children's pictures on the Website do not include a youngster's full name as a safety precaution and matter of privacy.) Also, please be advised that security cameras are installed throughout the school for safety, security, and surveillance purposes.

Thank you
