Ms. Gayle Donowitz  
108 Biro St.  
Fairfield, CT 06825

Dear Ms. Donowitz,

On behalf of the Norma Pfriem Breast Center, we extend our heartfelt thanks for your participation in and support of *Pink Pledge*. We had more than 25 schools, school groups or athletic teams support this month-long, community wide breast cancer awareness campaign. More than \$15,000 was raised from these fundraisers. The funds raised during the campaign will provide medical excellence, compassionate care and life-saving programs to ALL women regardless of their ability to pay.

We had the pleasure of visiting many of the schools or attending their sporting event for their "Pink Day" and it was truly heartwarming to see how the students, the faculty, staff and parents united with such enthusiasm to support breast cancer awareness.

We were awestruck by how the entire community came together to help us spread the word that early detection is the best protection! It means so much to breast cancer patients, survivors and their families, and the providers who care for them, to know that they have the community behind them as they struggle with a disease that affects so many.

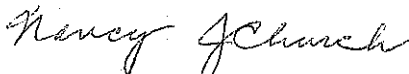

Thank you again for your continued support and for making Pink Pledge and the Norma Pfriem Breast Center your Charity of Choice.

Best wishes for a happy and healthy new year!

Sincerely,

Donna Twist  
Exec. Director,  
Norma Pfriem Breast Center  
VP Development,  
Bridgeport Hospital Foundation
